

# Ultra WAX-RESIN

For Near Edge Printers

## Recommending a ribbon

# NETPremium

## Premium Wax-Resin.

When your application calls for a premium wax-resin ribbon that can stand up to mild chemicals and solvents, choose NETPremium. This specially formulated near edge ribbon also provides excellent scratch and smudge resistance on a wide range of substrates. NETPremium is well suited for a variety of demanding in-line systems, printing directly onto flexible packaging and labels and provides a high level of image quality and durability. It's another unique solution from IIMAK. NETPremium ribbons are designed for use in TEC<sup>®</sup>, Markem<sup>®</sup>, Videojet<sup>®</sup> and other near edge printers.
